

Interpersonal Communication - I

Author : AI Generated

Date : 2025

Listening: Speech Sounds

Understanding different speech sounds is essential for clear pronunciation and effective communication.

Listening: Interview Videos

Watching interviews helps improve comprehension, vocabulary, and conversational techniques.

Speaking: Debate

Debates help develop argumentation skills, critical thinking, and confidence in public speaking.

Speaking: Structured Group Discussion

Engaging in group discussions helps refine articulation, listening, and persuasive speaking skills.

Speaking: Conversation

Practicing conversations enhances fluency, vocabulary usage, and interaction skills.

Reading: Commonly Confused Words

Words that sound or look similar but have different meanings, such as 'affect' vs. 'effect,' often cause confusion.

Writing: Transcription

Transcription improves writing skills by accurately converting spoken language into text format.
